office accommodation and other related accommodation to the Provincial Government. These functions are performed in line with the broader departmental goals of improving service delivery, complying with corporate governance requirements, promoting black economic empowerment and contributing to the transformation of the property industry. The main purpose of this Sub-Programme is to ensure that immovable assets owned and/or utilized for delivery of government’s services yield functional, economic and social benefits to the province.

3. EXPANDED PUBLIC WORKS PROGRAMME

The purpose of this programme is to co-ordinate the Expanded Public Works Programme in the Province. This involves evaluating business plans, monitoring implementation, facilitating training and reporting progress on all EPWP work opportunities created in the Province.

4. ROADS INFRASTRUCTURE

The purpose of this programme is to implement roads infrastructure management in the Province. This involves evaluating business plans, monitoring implementation, facilitating training and reporting progress on all roads infrastructure management programmes in the Province including allocations to the Roads Agency Limpopo.
