ROAD**

Limpopo MEC for Public Works, Roads and Infrastructure, Ernest Rachoene, will on Tuesday, 27 May 2026, officially hand over three contractors for the rehabilitation of the George's Valley Road project, as committed during the 2026/27 Budget Vote speech.

The George's Valley Road D548 serves as a strategic transport corridor that provides safer and more efficient passage for trucks, buses and other motorists travelling to Tzaneen and surrounding areas, while also assisting in relieving pressure from the Magoebaskloof road network.

Members of the media are invited to attend the handover ceremony scheduled as follows:

**Date:** Tuesday, 27 May 2026
