Operation Re a šoma Continues

As a leader in the provision and management of provincial government buildings, the Limpopo Department of Public Works continues to provide infrastructure to rural areas including the community of Ga Makgoba Village under Lepelle-Nkumpi Local Municipality.

The construction of four Classroom Blocks, one Administration Block, two seater Enviroloo toilets and one Nutrition Centre (Kitchen) at Matsimela Secondary School has created

Before

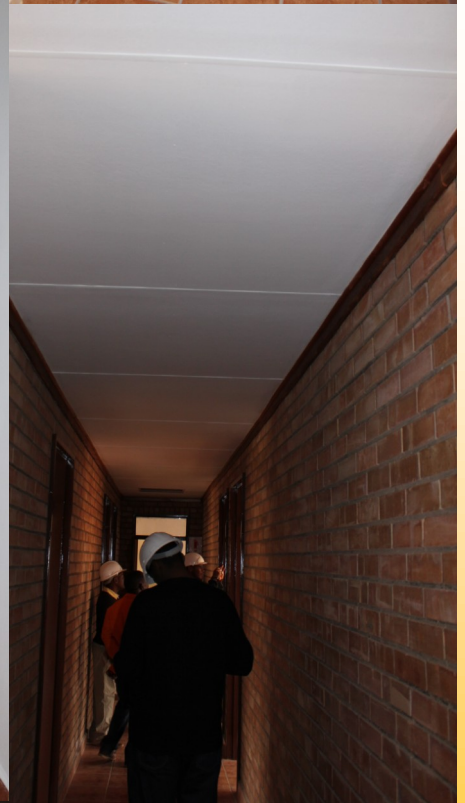

After

work opportunities to the community around the village. The school was previously using mobile classrooms as learning facilities, until the Department of Public Works and Department of Education intervened and provided the infrastructure. This will enhance the teaching and learning facilities of pupils (learners) at the school. After the completion of the project by the end of October 2012, it will be handed to the end user department.

Recent Projects highlights

Newly constructed administration block at Matsimela Secondary School and the inside view.
