## LDPW ON DELIVERY PATH

The newly constructed Vlakfontein Library

In a continuous effort to render quality infrastructure delivery to the community, Limpopo Department of Public Works as a leader in the provision and management of provincial government buildings continues to provide Infrastructure to the community of Vlakfontein, Elias Motsoaledi Local Municipality.

Funding was provided for the construction of Vlakfontein Community Library as part of community library service conditional grant from the National Treasury to aid in building, upgrading and equipping of libraries.

The construction of the library has created temporary work opportunities to the nearby community and it will enrich reading and learning of the learners around the community and neighbouring villages. The construction of the project is in part-

nership with Limpopo Department of Sports, Arts and Culture as the end user of the infrastructure after completion.
