PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

- 1.1 The following preference point systems are applicable to invitations to tender:
 - the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
 - the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 To be completed by the organ of state

(delete whichever is not applicable for this tender).

- a) The applicable preference point system for this tender is the 90/10 preference point system.
- b) The applicable preference point system for this tender is the 80/20 preference point system.
- c) Either the 90/10 or 80/20 preference point system will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.
- Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:
 - (a) Price; and
 - (b) Specific Goals.

1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) "tender" means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) "price" means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) "rand value" means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) "tender for income-generating contracts" means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) "the Act" means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

$$Ps = 80\left(1 - rac{Pt - P\,min}{P\,min}
ight)$$
 or $Ps = 90\left(1 - rac{Pt - P\,min}{P\,min}
ight)$

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration
Pmin = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT....

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$Ps = 80\left(1 + \frac{Pt - Pmax}{Pmax}\right)$$
 or $Ps = 90\left(1 + \frac{Pt - Pmax}{Pmax}\right)$

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
 - (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

General Conditions of Contract

1. Definitions	The following terms shall be interpreted as indicated:
	1.1 "Closing time" means the date and hour specified in the
	bidding documents for the receipt of bids.

- 1.2 "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- 1.3 "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
- 1.4 "Corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.
- 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidised by its government and encouraged to market its products internationally.
- 1.6 "Country of origin" means the place where the goods were mined, grown or produced, or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognised new product results that is substantially different in basic characteristics or in purpose or utility from its components.
- 1.7 "Day" means calendar day.
- 1.8 "**Delivery**" means delivery in compliance of the conditions of the contract or order.
- 1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.
- 1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
- 1.11 "Dumping" occurs when a private enterprise abroad markets its goods on own initiative in the RSA at

lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.

- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid process at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract
- 1.15 "Goods" means all the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means the portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his sub-contractors) and which costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does not take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.

	1.19 "Order" means an official written purchase order
- ***	issued for the supply of goods or works or the rendering of
	a services.

	1.23 "SCC" means Special Conditions of Contract.
	1.24 " Services " means those functional services
	ancillary to the supply of the goods, such as transportation
	and any other incidental services, such as installation,
	commissioning, provision of technical assistance, training,
	catering, gardening, security, maintenance and other such
	obligations of the supplier covered under the contract.
	1.25 "Written " or "in writing " means handwritten in ink
	or any other form of electronic or mechanical writing.
	1.26 IATA means International Air Transport Association
	1.27 ASATA means Association of Southern African
	Travel Agents
2. Application	2.1 These general conditions are applicable to all bids,
	contracts and orders including bids for functional and
	professional services, sales, hiring, letting and the
	granting or acquiring of rights, but excluding immovable
	property, unless otherwise indicated in the bidding
	documents.
	2.2 Where applicable, special conditions of the contract are
	also laid down to cover specific supplies, services or
	works.
	2.3 Where such special conditions of contract are in conflict
	with these general conditions, the special conditions shall
	apply.
3. General	3.1 Unless otherwise indicated in the bidding documents, the

8.2 If it is a bid condition that supplies to be produced or	
services to be rendered should at any stage during	
production or execution or on completion be subject to	
inspection, the premises of the bidder or contractor sh	nall
be open, at all reasonable hours, for inspection by a	
representative of the Department or an organisation	
acting on behalf of the Department.	

- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the costs of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or analysed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirement of the contract. Failing such removal, the rejected supplies shall be returned at the supplier's cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.
- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on

9. Packing	9.1 The supplier shall provide such packing of the goods as
	is required to prevent their damage or deterioration
	during transit to their final destination, as indicated in the
	contract. The packing shall be sufficient to withstand,
	without limitation, rough handling during transit and
	exposure to extreme temperatures, salt and precipitation
	during transit, and open storage. Packing, case size and
	weights shall take into consideration, where appropriate,
,	the remoteness of the goods' final destination and the
	absence of heavy handling facilities at all points in transit.
	9.2 The packing, marking, and documentation within and
	outside the packages shall comply strictly with such
·	special requirements as shall be expressly provided for in
	the contract, including additional requirements, if any,
	specified in SCC, and in any subsequent instructions
	ordered by the purchaser.
10. Delivery and	10.1 Delivery of the goods shall be made by the supplier in
documents	accordance with the terms specified in the contract. The
	details of shipping and/or other documents to be furnished
	by the supplier are specified in SCC.
	10.2 Documents to be submitted by the supplier are specified
	in SCC.
11. Insurance	11.1 The goods supplied under the contract shall be fully
	insured in a freely convertible currency against loss or
	damage incidental to manufacture or acquisition,
	transportation, storage and delivery in the manner
	specified in the SCC.
12. Transportation	12.1 Should a price other than an all-inclusive delivered price
	be required, this shall be specified in the SCC.
13. Incidental	10.1. The supplier may be required to provide any or all of the
services	following services, including additional services, if any,
·	specified in SCC:

(a) performance or supervision of on-site assembly and/or commissioning of the supplied goods: (b) furnishing of tools required for assembly and/or maintenance of the supplied goods; (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods: (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods. 13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services. As specified in SCC, the supplier may be required to 14 Spare parts 14.1 provide any or all of the following materials, notifications, information pertaining to spare parts and manufactured or distributed by the supplier: (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and (b) in the event of termination of production of the spare parts: (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and

15 Warranty	15.1 The supplier warrants that the goods supplied under the
	contract are new, unused, of the most recent or current
	models, and that they incorporate all recent improvements
	in design and materials unless provided otherwise in the
:	contract. The supplier further warrants that all goods
	supplied under this contract shall have no defect, arising
	from design, materials, or workmanship (except when the
	design and/or material is required by the purchaser's
	specifications) or from any act or omission of the supplier,
	that may develop under normal use of the supplied
	goods in the conditions prevailing in the country of final
	destination.
	15.2 This warranty shall remain valid for twelve (12) months
	after the goods, or any portion thereof as the case may be,
	have been delivered to and accepted at the final
	destination indicated in the contract, or for eighteen
	(18) months after the date of shipment from the port or place
	of loading in the source country, whichever period
	concludes earlier, unless specified otherwise in SCC.
	15.3 The purchaser shall promptly notify the supplier in
	writing of any claims arising under this warranty.
	witting of any claims ansing under this warranty.
	15.4 Upon receipt of such notice, the supplier shall, within the
	period specified in SCC and with all reasonable speed,
	repair or replace the defective goods or parts thereof,
	without costs to the purchaser.
,	15.5 If the supplier, having been notified, fails to remedy the
,	defect(s) within the period specified in SCC, the
	purchaser may proceed to take such remedial action as
	may be necessary, at the supplier's risk and expense and
	without prejudice to any other rights which the purchaser
	may have against the supplier under the contract.

16 Payment	16.1 The method and conditions of payment to be made to the
	supplier under this contract shall be specified in SCC.
	16.2 The supplier shall furnish the purchaser with an invoice
	accompanied by a copy of the delivery note and upon
	fulfilment of other obligations stipulated in the contract.
	16.3 Payments shall be made promptly by the purchaser, but
	in no case later than thirty (30) days after submission of an
	invoice or claim by the supplier.
	16.4 Payment will be made in Rand unless otherwise
	stipulated in SCC.
17 Prices	17.1 Prices charged by the supplier for goods delivered and
	services performed under the contract shall not vary from
,	the prices quoted by the supplier in his bid, with the
	exception of any price adjustments authorized in SCC or in
	the purchaser's request for bid validity extension, as the
	case may be.
18 Contract	18.1 No variation in or modification of the terms of the contract
amendments	shall be made except by written amendment signed by the
	parties concerned.
19 Assignment	19.1 The supplier shall not assign, in whole or in part, its
	obligations to perform under the contract, except with the
	purchaser's prior written consent.
20 Subcontracts	20.1 The supplier shall notify the purchaser in writing of all
	subcontracts awarded under this contract if not already
	specified in the bid. Such notification, in the original bid or
; ;	later, shall not relieve the supplier from any liability or
	obligation under the contract.
21 Delays in the	21.1 Delivery of the goods and performance of services shall
supplier's performance	be made by the supplier in accordance with the time
portormanos	schedule prescribed by the purchaser in the contract.

cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
- 21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
- 21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22 Penalties	22.1 Subject to GCC Clause 25, if the supplier fails to deliver
	any or all of the goods or to perform the services within the
	period(s) specified in the contract, the purchaser shall,
	without prejudice to its other remedies under the contract,
	deduct from the contract price, as a penalty, a sum
	calculated on the delivered price of the delayed goods or
	unperformed services using the current prime interest rate
	calculated for each day of the delay until actual
	delivery or performance. The purchaser may also consider
	termination of the contract pursuant to GCC Clause 23.
23 Termination for default	23.1 The purchaser, without prejudice to any other remedy for
delault	breach of contract, by written notice of default sent to the
	supplier, may terminate this contract in whole or in part:
	a) if the supplier fails to deliver any or all of the goods within
	the period(s) specified in the contract, or within any
	extension thereof granted by the purchaser pursuant to
	GCC Clause 21.2;
	b) if the Supplier fails to perform any other obligation(s)
	under the contract; or
	c) if the supplier, in the judgment of the purchaser, has
	engaged in corrupt or fraudulent practices in competing for
	or in executing the contract.
	23.2 In the event the purchaser terminates the contract in
,	whole or in part, the purchaser may procure, upon such
	terms and in such manner as it deems appropriate, goods,
	works or services similar to those undelivered, and the
	supplier shall be liable to the purchaser for any excess
	costs for such similar goods, works or services. However,
	the supplier shall continue performance of the contract to
	the extent not terminated.

	23.3 Where the purchaser terminates the contract in whole or
	in part, the purchaser may decide to impose a restriction
	penalty on the supplier by prohibiting such supplier from

doing business with the public sector for a period not exceeding 10 years.

- 23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.
- 23.5 Any restriction imposed on any person by the Accounting Officer Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.
- 23.6 If a restriction is imposed, the purchaser must, within five(5) working days of such imposition, furnish the NationalTreasury, with the following information:
 - a) the name and address of the supplier and / or person restricted by the purchaser.
 - b) the date of commencement of the restriction
 - c) the period of restriction; and
 - d) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

Compliance with objective criteria for preferential procurement, applicable to leasing services.

The Department of Public Works, Roads and Infrastructure will leverage this opportunity in acquiring office accommodation for itself and clients to advance TRANSFORMATION, EMPOWERMENT and ECONOMIC INCLUSION. To address the skewed property ownership patterns in the property sector, DPWR&I will consider and align the leased period required in this tender to the % of Black Ownership / Shareholding / Equity of the offered building / asset as per the Lease tenure Enhancement Model depicted in the Table or Categories below stipulated in the National Property Management Policy of 2018 before awarding the tender in accordance with Section (2) (f) (1) of the PPPFA.

SPECIFICATION ON MINIMUM REQUIREMNTS – OFFICE ACCOMMODATION.

SPECIFICATION FOR MINIMUS REQUIREMENTS AND FINISHES TO WHICH THE BUILDING MUST COMPLY

REQUIREMENTS:

1. GENERAL

This specification forms part of the Tender document / written offer of the tenderer and must be initialed and submitted along with all other documents.

Any requirements laid down in this specification shall be considered as supplementary to those set out in the written offer of the tenderer and on the drawings. The fact that the Department checked the documentation and approved thereof does not exempt the tenderer from the responsibilities with regard to the fulfillment of the requirements of this specification.

2. CONSTRUCTION AND APPEARANCE OF THE BUILDING

The design, construction and appearance of the building, including the internal and external finishes shall be of a standard acceptable to the Department of Public Works Roads and Infrastructure. The building shall be fully assessable to handicapped persons. Ramps and lifts to be provided.

The building must comply with the National Building Regulations as proclaimed by the National Building Regulations and Building Standards Act (Act 103 of 1977) as well as the Occupational Health and Safety Act 1983 (Act 85 of 1993), as amended. A certificate to this effect must be submitted.

LDPWRI-PA	/		

3. SECURITY

The following security measures shall be complied with:

- (a) All entrances to the building, which shall be limited to the minimum, must afford entry through one or more access control points.
- (b) External walls of floors, up to at least 1 metre above floor level, shall be of a heavyweight structure such as 220mm thick brick or 190mm thick concrete.

Security of government property is of great importance due to the function being fulfilled. Reachable window openings must be protected with burglar bars and windows of storage rooms must have burglar bars in front of the entire window. Entrance halls must be equipped with a counter for security purposes. Security gates / secure access control shall also be provided at the entrance of the building.

4. MATERIAL AND FINISHES

All walls and ceilings, whether painted or finished otherwise, shall be of a neutral colour.

Walls of tea kitchens, stairs, entrance halls and toilets shall be washable, hardwearing, and acceptable to the Department of Public Works, Roads and Infrastructure.

5. AIR-CONDITIONING

Air-conditioning is a requirement and should be conducive for work environment and ICT facilities.

6. FACILITIES FOR CLEANERS

On every floor of a multi-storey building or for every 1350m² gross floor area a cleaner's room of not less than 3m² shall be provided as a storeroom for cleaning equipment and material. It shall be provided with a drip sink, 4m long shelves and sufficient cross ventilation, preferably by means of an outside window.

7. FLOOR COVERING

Floor covering must be of an acceptable standard and quality, and further to be discussed with the Department and be agreed upon.

LDPWRI-P/	
-----------	--

8. ROOM AREAS AND PARTITIONS

Moveable partition walls shall be used to divide the total floor area of the building into office and other areas as required. The walls shall have a noise reduction factor of not less than 45dB within a range of 100 to 1000 hertz. The factor has a bearing on complete wall sections including glass and doors if any.

9. FLOOR TO CEILING HEIGHTS

A clear floor to ceiling height or as close as possible to 2,7 m throughout shall be maintained in all general areas of the building. Where a certain function inside a building necessitates a higher floor to ceiling height, the specific area will be identified and the height specified as part of the accommodation particulars. Conduits, water pipes, air ducts and other services shall not be visible underneath the ceiling in offices and public areas.

10. RECORD ROOMS

Record rooms shall be rooms with category 1 record room door which can be opened from both sides and which comply with SABS Specification 949. Record room walls shall be of masonry of not less than 220mm thick or of concrete of not less than 150mm thick or of such structure approved by the Department of Public Works, Roads and Infrastructure and must have fire resistance of at least 1½ hours except if specified otherwise by the Department of Public Works Roads and Infrastructure.

11. DOORS, LOCKS AND KEYS

All offices shall be provided with a door of at least 900mm wide and each fitted with a good quality five pin cylinder lock with two keys fitting one lock only and which shall be handed over to the departmental representative upon occupation of the building. Two master keys, which can unlock the locks of all offices, shall also be provided.

12. TOILET FACILITIES

The following norms shall be applied:

Male - staff and public

One WC for every 15 persons to a total of 60 and thereafter one for every 35 additional persons or part thereof. One urinal for every 15 persons to a total of

LDPWRI-PA	•	

30 and thereafter one for every 30 additional persons or part thereof. One wash hand basin for every two WC's.

Female - staff and public

One WC for every 10 persons to a total of 60 and thereafter one for every 20 additional persons or part thereof. One wash hand basin for every two WC's.

Handicapped persons

Toilet facilities for handicapped persons have to be provided according to norms and standards.

13. TELEPHONES AND FAXSIMILE MACHINES

Each office, conference room and security control area shall be fitted with a telephone connection facility in accordance with the requirements of telco Service Providers.

The user department itself will negotiate with Service Provider as to the number of telephone lines that are to serve the building, but the owner of the building shall make provision for conduits, draw wires and cable trays.

Connecting points for fax-machines and other related unified communications infrastructure will be discussed with the successful Tenderer prior to occupation.

14. POWER POINTS

Offices and other rooms where electrical appliances can be used, shall be provided with 15 A socket outlets. In offices two socket outlets shall be provided for every $12m^2$ or part thereof. The Department of Public Works Roads and Infrastructure shall indicate any additional socket outlets, which are required, in the accommodation particulars for individual services. The wiring and securing of electrical circuits shall be such that an electrical heater as well as computer equipment can be run from the socket outlets in each office.

Due to the fact that the Department will be serviced by a computer network system sufficient provision must be made for conduits for cabling and provision of additional power points will be needed and red plugs connected to power back up system. Three phase power in line with requirements for connection to and uninterruptable Power Supply and Server room computer systems is required,

The building should be supplied with a stand-by generator and stand-by water tank.

LDPWRI-P/

15. LIGHTING

Each office shall be provided with its own light switch in a suitable position near the door. Separate switches for the storage and offices. Lighting conforming to the following standard must be provided:

Reception areas	100 lux
General offices	300 lux
Drawing offices	500 lux
Passages	50 lux
Auditoriums	100 lux
Conference rooms	100 lux
Classrooms	200 lux
Libraries	300 – 400 lux
Store rooms	200 lux
Parking	n50 lux

The lighting levels all measured at working plane.

16. INSPECTION

The Department of Public Works Roads and Infrastructure considers it a condition of contract that in consultation with the lessor and with reasonable frequency during the process of refurbishment its inspector shall be given access to the building to ensure that the specified minimum standards are complied with. The inspector's approval of any part of the building does not exempt the owner from complying with any of these minimum standard requirements. A deviation from the requirements may only be allowed with written permission from the Department of Public Works, Roads and Infrastructure.

17. SIGNAGE

The lessor must provide signage indicating Office numbers, fire escapes, Fire Hoses/Cylinders, as well as toilets and disabled Routes /facilities.

18. **PEOPLE WITH DISABILITIES**

The Department of Public Works Roads and Infrastructure makes it a condition that the building must be sensitive to the people with disabilities, giving them ease of access and usage. Refer to the National Building Regulations.

LDPWRI-P/			

19. **GENERAL**

- a. Emergency exits and fire-fighting equipment must be provided according to the National Building Regulations.
- b. The trunking servicing the building must conform to the latest technological standards.
- c. Parking space must be available in the building.

Parking spaces available:	
Closed covered parking (lockable)

IMPORTANT TENDER CONDITIONS

Tenderers must thoroughly acquaint themselves with the details, conditions and stipulations as set out in this annexure.

- The required building should be not less than 3217M² and be within the City of Polokwane and in Capricorn District. It will be used exclusively for government services.
- Notwithstanding the number of parking bays required as per specification, parking may be provided as prescribed in the applicable town planning or land use scheme of the Polokwane Local Municipality and the Department PWR&I reserves the right to make any such necessary adjustments prior or post adjudication.
- The building required should be an A-Grade building and the date of occupation should be within one month from the date of signing the lease agreement. The period of the lease will be 9 years and 11-months starting from date of occupation.
 - The building should meet all the requirements and by-laws of the Polokwane Local Municipality.
 - 5. The storage place should not be next to the kitchen or ablution facilities.
 - Tenderers should meet requirements of other laws and regulations, standards, and specifications regarding buildings.
- Sketches and drawings of the office accommodation must be supplied for example to submit such sketches will disqualify tenderers.
 - Original valid Tax Clearance Certificate must be submitted and the service provider must be registered with Central Supplier Database (CSD).
- 9. Failure on the part of the tenderer to sign the tender form and thus to acknowledge and accept the conditions in writing or to complete the attached forms, questionnaires and specifications in all respect, may invalidate such tender.
- Where preference affidavit is not filled in, no preference points will be given.
 - 11. Tenders must be submitted on the official forms and should not be qualified by the tenderer's own conditions of tender. Failure to comply with these requirements or to renounce specifically the tenderer's own conditions of tender, when called upon to do so may invalidate the tender.

LDPWRI-P/	•

- 12. Alternative offers will be considered if submitted on the official Tender Form and comply with the set norms and accommodation needs. Additional offers may be submitted against any item but only on a photocopy of the relevant page or on another Form, which may be requested. Any other additional offers made in any other way will be disqualified.
- 13. The Form of Tender may not be retyped or recompiled.
- 14. If any of the conditions contained in this tender form are in conflict with any special conditions, stipulations or provisions incorporated in the tender, such special conditions shall apply.
- 15. Any tender which is not accompanied by written proof that the tenderer is authorised to offer the building(s) for rent will not be considered. In the case of a company/closed corporation a resolution which authorises the representative/agent to sign on behalf of the Company/closed Corporation must be attached. Proof of Registration with the Head of Department of the South African Property Owners Association (SAPOA) must be submitted.
- 16. The Department of Public Works Roads and Infrastructure reserves the right to appoint.
- 17. The prospective building will be subjected to physical assessment.
- 18. The Department of Public Works Roads and Infrastructure shall in no way be responsible for or bound to negotiations that the user may or might have conducted with a lessor or owner of a building.
- 19. It is a requirement that the accommodation offered, including all equipment and installations, must comply with National Building Regulations.
- 20. Architect's plans of the building must be included in the tender. Signed Certificate by the Architect confirming the grading and the lettable area of the building must be included in the tender.
- 21. The tenderer must include a Maintenance Plan in the tender.
- 22. The commencement date from which rental will be payable or the lease shall begin is subject to the approval of Department of Public Works Roads and Infrastructure. The rates for the offer should be market related. (The rates for the offer will be as per the Rode Report.)

- 25. Minor changes are expected for the partitioning as part of the organizational structures and tenderers are advised to take into consideration such changes during tender.
- 26. This annexure is part of the tender documentation and must be signed by the tenderer.
- 27. These conditions form part of the tender and failure to comply hereto will invalidate the tender.
- 28. The successful tenderer will enter into an agreement with the user department.

DECLARATION

- 29. I/We herewith offer to provide the Government with all the suppliers and/or services, or any thereof, as described in these documents in accordance to the stipulations, conditions and specifications included in the Tender documentation (which forms part of this tender) at the prices and conditions concerning time of delivery and/or implementation as detailed in this document.
- 30. I/We accept that:
- 30.1 my/our tender and its acceptance by the Department of Public Works Roads and Infrastructure shall constitute a binding contract between me/us and the Government
- This tender is subject to the regulations, conditions and procedures as laid down by the Department of Public Works Roads and Infrastructure.
- 30.3 should it happen that I/we withdraw my/our tender unilaterally within the period agreed for acceptance of the Tender, or fail to give effect to the Contract as required or fail to sign a contract in terms of the accepted tender after being requested to do so, the Head of Department shall, without prejudice to any other rights he may have, be entitled to accept any less favourable tender from those received with mine/ours, or to call for fresh tenders or otherwise arrange for the execution of the Works, and I/we shall pay on demand any additional expense incurred by the Head of Department because he has had to adopt any of the said courses, as well as either the difference between my/our tender and any less favourable tender accepted by the Head of Department or the difference between my/our tender and the cost of execution of the Works by the Head of Department as well as any other amounts which the Head of Department has to pay to have the works completed.
- 30.4 if my/our tender is accepted, the acceptance thereof may be communicated to me/us by letter or order through the ordinary post or telegraph, and that the Post or Telegraph Office as the case may be shall be regarded as my/our agent, and

LDPW.	RI-P/
	that delivery of such acceptance to the Post or Telegraph Office shall be regarded as delivered to me/us.
31.	I/we furthermore confirm that I/we have satisfied myself/ourselves to the correctness and validity of my/our tender, that the price(s) and rate(s) cover all the work/item(s) specified in the tender documents and that the price(s) and rate(s) cover all my/our obligations under a resulting contract. I/we accept that any errors regarding price(s) and calculations will be at my/our own risk.
32.	I/we accept liability for the proper completion of all obligations and conditions of this contract.
33.	I/we agree that any proceedings resulting from this Contract may be instituted in all respects against me/us and I/we undertake to comply to any sentence or judgement according to such proceedings against me/us.
34.	I/we declare that I/we participated/not participated in submitting any other tender for the supply/services as detailed in the attached documents. If affirmative, supply name of tenderer(s) concerned:
35.	Are you duly authorised to sign the tender? * Yes/No (Applicable proof must be attached)
36.	Is the Declaration of Interest duly completed and handed in along with the Form of Tender? * Yes/No
