

LIMPOPO

PROVINCIAL GOVERNMENT
REPUBLIC OF SOUTH AFRICA

**Department of
Public Works, Roads and
Infrastructure**

MEDIA INVITE

The MEC responsible for Public Works, Roads and Infrastructure, Ms Nandi Ndalane has the pleasure of inviting members of the media to the launch of household based routine road maintenance project.

Due to the magnitude of required maintenance on our provincial roads, the Department had to explore alternative methods while responding to the set targets of expanded public works programme. Through this project members of the community particularly women, youth and persons with disabilities will be employed over a period of three years.

The event shall be arranged as follows:

Date: 29 March 2019

Venue: Phalaborwa Local Municipality

Time: 09:00

Your presence and coverage will be highly appreciated

For further enquiries kindly contact
